DINNER PARTY

Infographic and Checklist

PLAN

Decide on a time, location, number of guests and theme. Send the invitation with details a month in advance.

MENU

Before creating a menu, reach out to your guests to ask about preferences and dietary restrictions.

SHOPPING

Once you have a shopping list, plan out your shopping trip and go early to ensure you have everything you need.

AMBIENCE

Put some thoughts into music, lighting, and scents. Think of how guests should flow in your space during their visit.

PARTY

Be thoughtful with conversations and take into account different personalities. Keep conversations light.

THEME

Decide on a theme and make a list of items that go along with the party. If there is a dress code be sure to tell your guests.

WINE

With the menu created, make a list of wines to go along with the meal and make sure there is enough for everyone.

PREPPING

Begin decorating the day before your party. Think about seating and ensure every space is thought of.

COOKING

If possible, prepare food items that can sit for longer first. Organization will help a lot during the cooking process.
