

# NAMAQUA

WINES

## **LABEL DESIGN INSTRUCTIONS**

1. The label is 130x80mm
2. Two design templates are usable. One with black logo and one with white.
3. The logo, seal, and sizing indicator below will be applied over the label you design and in fixed position. Kindly bear that in mind while coming up with your unique label.
4. Must include "Smooth Dry Red"
5. Must include "Soft and Fruity Wine"
